VALCOM CHAIR - Add value to common land systems (2025- 2029)

- Multidisciplinary project
- Participatory research method

Ambitions :

- Promote community involvement, recognition of cultural rights
- Evaluate environmental, social and economic value of these systems
- Improving the legal framework
- Educate, sensitize to create a “culture of the commons”

VALCOM : rencontres territoriales Tout lire

Les rencontres territoriales sont issues d'un programme de recherche action soutenu par la Fondation de France dans le cadre du projet « Communs ruraux et transition écologique : de la...

The common land systems (E. Ostrom)

USAGE RIGHTS / COLLECTIVE
TASKS - "CHORES"

RESSOURCES

DEMOCRATIC GOVERNANCE

Collective work or “chores” in common land systems :

- Mutual responsibility
- Transfer of knowledges
- Learning technical skills
- Friendly atmosphere

Examples of collective works:

Logging
Cleaning pastures
Building rehabilitation
Dredging canal
etc.

Example : Consortage in Chamonix

Maintenance of landscape
Knowledges about ecological
cycles and socio-environmental
interactions
Intergenerational transfer, etc.

Thank you for your attention
